

Summer 2010
Reading List - 5th Grade
(For students entering 5th grade)

Each child entering the fifth grade is responsible for reading *Loser* by Jerry Spinelli. The students will be tested on the book the first month of school.

Students must read the required book, plus 1 book of their choice, and the Summer Math Skills Sharpener workbook. The workbook is to be turned in to the math teacher and there will be a math quiz over a sampling of problems from the workbook.

As you complete each book, please use the reading log form from the Christ the King website to record the books that you have read.
